This guys has been saying he would make one of these for a while - but will he ever do it? When he does, I'll eat my hat.

I bought this thinking it was either a guitar or somehow related to a tesla. It's not either of those. I will return it.

1 Answer

Answer the question

A: Maybe January, maybe February. We don't car camp much in winter so as long as we finish by summer, whatever. Sure, you can choose any color as long as it's cheap on the internet and easy to sew
